

WARRANTY

INFORMATION

Warranty

Enwork promises to repair or replace any Enwork product or component that is defective in material or workmanship for 10 years as long as the original purchaser owns it. The warranty covers the cost of the product only. This is your sole and exclusive remedy. The warranty is subject to the limitations, exclusions, and other provisions below.

Limitations

Five years – glides, casters, locks and drawer slides.

Exclusions

This warranty does not apply and no other warranty applies to:

- Normal wear and tear, which are to be expected over the course of ownership. Value laminate has different wear and tear than standard laminate. See page 2 for an explanation of performance characteristics.
- Damage caused by the carrier in-transit, which will be handled under separate terms.
- Modifications or attachments to the product that are not Enwork approved.
- Products that were not installed, used or maintained in accordance with product instructions and warnings of Enwork or the panel supplier. Tip: Minimal amounts of worksurface sag are expected due to the nature of wood. Care must be made to properly support worksurfaces according to panel supplier guidelines. Bracing must be used on unsupported spans greater than 48 inch wide.
- Products used for rental purposes.
- Damage caused by misapplication of cleaning chemicals.
- Custom finishes.

To the extent allowed by law, Enwork makes no other warranty, either express or implied, including any warranty of merchantability or fitness for a particular purpose. Enwork will not be liable for any consequential or incidental damages.
