**Notes:**

1. This quotation does not constitute a Purchase Order. This quotation should accompany your Purchase Order, when submitted to [orders@enwork.com](mailto:orders@enwork.com), with all relevant finish selections made.
2. This quote contains **Enwork Price List V.11** pricing, effective November 9, 2015. List prices remain valid as long as Price List V.11 is current. Check [www.enwork.com](http://www.enwork.com) for latest pricing available.
3. **Please refer to posted manufacturing lead times at [www.enwork.com](http://www.enwork.com), unless otherwise noted on this quotation.** If non-Enwork standard finishes are selected, there may be extended lead times. Precise lead time will be provided via Order Acknowledgment from your Enwork Customer Service Representative.
4. Products are generally priced with Enwork standard finishes - noted as "Undetermined".
5. Upcharges and/or Minimum Fees may apply if alternate finishes are selected or customs are requested. If further clarification is needed, please contact [quotes@enwork.com](mailto:quotes@enwork.com) or refer to the Enwork V.11 Price List available on our website at [www.enwork.com](http://www.enwork.com).
6. Applicable Minimum Fees (if required) have been applied to this quote (See NET/LIST fees at the bottom of this quotation). If Final Order Quantities are Less Than what has been quoted herein please contact [quotes@enwork.com](mailto:quotes@enwork.com) to confirm if Minimum Fees will apply
7. Freight is included on orders over \$1,000 NET to any destination within the continental United States and Canada. Orders less than \$1,000 NET may be subject to a \$100 NET Minimum Order Fee.
8. Current project discounting (**per your Enwork representative**), will be honored for 60 days from the shipment of product to complete punch list items. After this period, standard discounting applies. Discount assumes **truckload releases** of product direct to dealer or site. Requests for smaller shipments may result in additional freight costs. Discount assumes the purchase of all major items on this quote. Not purchasing an item(storage, worksurfaces, etc.) may reduce your discount.
9. Bracing is recommended for unsupported worksurfaces 60"W or wider. Effective April 1, 2011 all **STANDARD TABLE** tops will automatically ship with braces as required. Even with braces, **maximum span between legs is 72" on center.**
10. .SP4 files are intended for Order Processing ONLY. ANY changes made by the dealer (including, but not limited to: updating pricing, adding or deleting items and quantities, etc.) are the responsibility of the dealer.
11. Special/Custom items are hand-entered into the SIF file and cannot be updated against the catalog.
12. Quotation of product is based on typical provided. Verification of handedness, quantities, and product placement in a master AutoCAD drawing file to be determined by dealership prior to order entry.
12. Upon request, Enwork will provide a typical drawing for Grid applications, or custom products based on the initial OR final Enwork quotation (Leadtime of 2 - 3 business days) with a maximum of (1) revision. Otherwise, all standard Enwork products are supported in CAP/GIZA/Project Matrix/ICE, so drawings of standard products and layouts are able to be generated from our quotation by the dealer design department.
13. Installation drawings for all products are the responsibility of the purchasing dealer. Specific product installation instructions are available online at [www.enwork.com](http://www.enwork.com).
14. **Dealers (or GSA purchasing agents) are solely responsible for verifying the accuracy of this quotation and for translation to a full floor plan, if applicable.**
15. A PDF file of the worksheet **MUST** be submitted at the time of order entry to [orders@enwork.com](mailto:orders@enwork.com). **.SP4/SIF FILES WILL NOT BE ACCEPTED.**

Thank You,

Enwork
