MM1133M-V2

Capri has been a go-to for years not just because it's incredibly comfortable, which it is, but also because the quality and feature set are unmatched for the price. The upholstered cushion features comfortable contoured foam seat. Combined with a smooth synchro-tilt mechanism and mesh back, it's easy to see why Capri is a crowd favorite.

Features

- Black mesh back
- Ratchet back with height adjustment
- Extra thick molded foam contoured seat with black upholstery
- 1 paddle synchro tilt mechanism
- Tilt tension control
- Tilt lock
- Pneumatic seat height adjustment
- Height and width adjustable arms with telescoping arm pads
- 26" diameter black nylon 5-star base
- 50mm nylon dual wheel casters
