Guest Chair

Flip Seat
Nesting Chair

Whether the activities in your space change by the hour, or remain consistent throughout the day, the Monaco collection delivers. Monaco's lightweight yet sturdy design is perfect for cafés, multi-purpose rooms, breakrooms, and event spaces throughout your building.

Monaco blends performance with practicality. The perforated contoured back provides just the right support, and the upholstered fabric seat maintains comfort for a longer term sit, making it the ideal solution for frequently changing spaces.
