

eBench™ Peds

12" Skinny™ Mobile and 15.5" Mobile Peds

Efficient storage is key to making today's smaller footprint workspaces functional for end-users. To maximize knee space while providing adequate storage capacity, eBench mobile box/file peds are available in two sizes: the 12" Skinny and a standard 15.5" width.

- Choose 12"W Skinny or the standard 15.5"W, 22.5"D x 19.5"H
- Heavy duty steel construction for rigidity and seat support
- Integral side pulls for a universal aesthetic
- Box/file with full extension drawer slides
- Front locking casters
- Anti-tip 5th wheel keeps it stable and light for enhanced mobility
- Includes lock, break-away key, and pencil tray
- Optional 2" cushion comes with magnets for easy installation
- Silver and arctic white powder coat paint are standard and typically ship in 48 hours
Other colors available with extended lead times.
- Cushions available in Camira Era or the Mill Collection fabric
